

# RETREAT SPONSORSHIP PACKAGES

The Mindful Warrior is reaching out to esteemed organizations like yours, seeking partners who share our commitment to supporting our military community. We are excited to extend an invitation to collaborate on a meaningful initiative: The Mindful Warrior Retreat.

The Mindful Warrior Retreat is a transformative experience designed to provide military personnel, veterans, and their spouses with valuable tools to navigate the challenges they face and enhance their overall well-being. This unique program focuses on mindfulness, resilience, and personal development, offering participants a holistic approach to managing stress and fostering mental and emotional strength.

As an organization dedicated to enhancing the lives of our military community through mindfulness-based practices, we believe that supporting our military community is not just a duty but a shared responsibility. By sponsoring a spot at the Mindful Warrior Retreat, your company can make a tangible impact on the lives of those who have served our country. This initiative aligns with our shared values of promoting mental health, resilience, and community support.

**Financial Contribution Options:** We offer flexible sponsorship levels to accommodate your budget and corporate objectives. Please find attached a detailed sponsorship package outlining the various levels and associated benefits.

Your support will not only contribute to the success of the Mindful Warrior Retreat but will also demonstrate your company's commitment to making a positive impact in the lives of those who have sacrificed so much for our freedom.

We would be honored to discuss this opportunity further and explore how we can collaborate to make a difference. Please do not hesitate to contact us at [hello@themindfulwarrior.org](mailto:hello@themindfulwarrior.org) to schedule a meeting.

Thank you for considering this partnership, and we look forward to the possibility of working together to support our military community.

Sincerely,  
*Jason and Kim DeHoes*

Founders, The Mindful Warrior
